Report of May 2015.

Outreach (Gospel Mission)

Our Heavenly Lord gave us a good opportunity to preach the Gospel. Last one month we had visited only one village to preach the Gospel. The village name is (Badamtola) Khulna. There people all Hindu and they live their life by fishing, boating, cultivate vegetables. But their main income source is cobbler work and sweeper work. Most of them are educated, but their religious culture and course make them

fool and ignorant. We introduced first one young man and then he called another to meet us and we share the Gospel and about our mission work. We were really excited about the mission, because that was our first mission where was no

any Christian people. All of them are Hindu. But my Lord helped us to talk with them. They also helped us to visit some people and families who are really very poor and there is a good opportunity to make a Gospel field. We talked with them people and families, they were very

happy and they welcome us to share the Gospel in them. And I saw in them some eagerness. And I hope we can continue work in them. We asking prayer to our all friends to work in them continue. We like to thank our partner Jimmy Miller and his team to help us to complete the Outreach mission

Bible Study and School

It's a praise report! Our Heavenly father Love us so much. And He gave us the power of His holy spirit what leading us to build a solder team for His kingdom. Our ministry Trinity Bangladesh asked prayer

and help to all to establish a office to operate all mission activities. And we are very grateful to Lord and also our friends for their help and blessing what make us able to done it. And we start our bible study and school at here. At the first class our students were very surprised that we have a office. At that day we worship first and give thanks to

Lord for his blessing and also prayed for all of our partner and friends who praying and blessing us continue. And then we start our class (first class) here. That day we teach from book of John and the gospel, and we have needed one more another day to finish the class. We providing

them papers and bible reference to study at home and we take class test after every new class. And the good news is we saw some news students at in classes. We welcome them to join with us and we hope they will continue with us. And now they are

very happy with us. We pray and hope that very soon we can make it big and more students with us at our Bible Study and School.

We are praying and hopping happy end of this month and continuing the mission! We are also asking prayer for those people, whom we visited and will select for the mission field. We want to thanks again to our prayer and supporting partners for their payer and support to continue our mission. And asking to keep continues pray and support. God bless you and yours. Amen
