Report of July 2015.

Outreach (Gospel Mission)

Our Heavenly Lord gave us a good opportunity to preach the Gospel. . In this month on 13/07/15, I had gone to Keshoppur in Shatkhria, Khulna, to meet with non-Christian people. All of them are from Hindu background. They lead their life under poverty line. Most of them are cobbler or daily labor. They have no knowledge about Jesus Christ. But thanks to almighty God for great opportunity to me, share the gospel to them. Here interesting things is all of them are interested about Jesus Christ. There has no pastor for share the gospel to them. But God prepare his way through us. I think, I am called for them.

On 15/07/15 I had gone to Monirampur, Jessore, Khulna. Before going here, I have a preparation. But when I reach here, I experienced different. Jessore is dangerous place for sharing gospel. But thanks to Lord, He prepares his place. Most of them here are Hindu, they live in village side. Their main occupation is making basket by bamboo. They are economically damage. But they has healthy mind, which is defile by

the Hinduism. An opportunity by God, I visit some house there. I talked about their family condition like their happiness and sorrows matter. They informed me about their poorness. I share the gospel to them besides hearing their personal story. Here, I prayed for them and I responded from them. Hoping word for there, I have got an invitation for next time; I hope that I could be continuing here.

Our most important field is Bothiaghata. I am working here last six month. Also last date on 18/07/15 I had

gone here for another visit, which was a blessing tour for me. Here I talk with few more people. And I meet our brother Santo and his family. And also we visited some families, We Shared the Gospel in them and prayed for them. Really they have in a bad situation for the rain. Their children are suffering from waterborne diseases. There we have selected 6 children for the Sponsorship project. We have need prayer for them. I request to you all that please pray for them and their family.

Our new field is Apilgate which is far away from our office. Last day we had gone there for first visit. It was a blessing day for us. With my family and bible study team, our team was looked like a gospel warrior team because for the GMFC "T-shirt". It was really a different environment. We enjoyed it. Thanks to GMFC for this opportunity. We reached there in the morning. We visited there in a Hindu area, and some of them are Christian (converted). We talk with some of family. Most of them are factory depended or daily labor. But sorrow matters for them, most of factory are closed. They

has no another way to income.

Praise the Lord. thankful to our sisters for their support for our program. Last confused; how sponsorship

We are really friends, brother and prayer and great sponsorship three month we are to collect children, how to

communicate with their guardian, how to collect their personal information with legal papers. At last we have done our job. But all those papers were in condite till now. After hard working we collect all papers. Also we complete our official documents like children information Form. We hope that next month we will go our filed in every week and we will communicate with our sponsorship children. For proper take care of our sponsorship children, we appointed a volunteer for every filed. Already we communicate with 44 children. Our prayers, we

will extend our children forty four to hundred and hopefully. Also prayer request to you for our sponsorship program beside yours important opinion.
