Report of January 2016.

Praise the Lord, greetings to all our friends from Global mission for children and Trinity Bangladesh. Thanks to almighty God for the month beginning of the year 2016. By blessing of God we are working at Khulna, Bangladesh. I am really very happy and thankful to Lord for this first month of 2016. We are working at Khulna from January 2015. We passed 1 year with very glories time and blessing. My Lord leading us and our team, and blessing us to finish the mission work for every month. In this month we have visit more new fields with our running fields. Day by day God is working in Khulna through us. Every visit time we share the Gospel in them. We have listed some new children for sponsorship from those new fields and collecting their personal data. In this month especially we are distributing the Gospel Coin and visit about 4 fields and everywhere we share the Gospel.

The Gospel coin for Bangladesh.

Praise the Lord!

This is for first time in Bangladesh, Through Global Mission for Children we have got the Gospel coin. I am really very grateful to Lord for His blessing to us, because He gave us the good news coin to distribute in people who never know about my Lord Jesus Christ. Our volunteer teams are very happy to distribute the coin; because when people are getting the coin then they are asking more to know. Our teams are distributing the coin now at some Christian colony. It is really very huge work so I am only distributing to our fields leader and who will distribute at the local area. We gave 300 ps coin for each fields, and also our volunteer are distributing the coin in

their time as they go to college, market, office, visiting and even if they got any invitation they are distribution

the coin at that place. I am happy to all of them and thankful to Lord that He leading our team. They also are attending the local Church with some youths and Gospel coin and distributing in members. Our Gospel preaching leaders teach them the Gospel. They also visit the families and distributing the coin in them. People are very happy and excited about the Gospel coin, because before we distribute paper Gospel tracts that are not for long time carry or people do not keep it for long time, but now they can keep it, it will not damage. They can also gift each other. We are trying to give some other Christian ministries to distribute. I hope this Gospel coin will change people mind, my team are following them all time which we give the coin. I request; please

pray for our Gospel coin distribution mission. We will continue it more 3 months. God bless you.

Project fields of Botiaghata:

Lord is my holy shed, He's my shelter, and He is my way. I believe in Him. He is using me. I am really very grateful to Him. I am really very happy that; my Lord showing me His miracle in my life evens our ministry. We have a land for agriculture project actually we have rent the land for cultivation. It was not favorable for cultivation. The place was sandy. But there we plant some of vegetable like tomato, Red Spinach, green chili,

potato, pumpkin, coriander, eggplant etc. Regularly we are taking care of our fields. We don't use there any comical fertilizer. There has a fence around the field, because of animals cannot get in. In the blessing of God last month we collect much red spinach from our project. Those we are provide our every field and into our entire volunteer. Last week we collect some vegetable like eggplant, some potato and some tomato. All those vegetable are fresh and hygienic. Now we are waiting for proper time for collecting all of our vegetable.
