Report of June 2015.

This is the Mission what we are doing with His blessing. Every month we visit some new village and area, we preach the Gospel in the people who do not know about the God and His Kingdom. We preach in the about the Salvation. Our Heavenly

Lord gave us a good opportunity to preach the Gospel. Last one month we had visited about 2 new village (Khaharabad and Boithaghata) Khulna.

They are from Hindu (lower caste). They living in out of society where rich and higher castes people live. People do not talk with them and their children can't go to school even in sickness condition they visit doctor

from out of the village. But my Lord is for all, we give them the message, they were very happy and really very

excited about the story of Jesus Christ. They have many problem and needs but when they heard about my Lord, they were really get interested about Lord and want to know more. They give me coconut water and give me to sit and want to

hear more. I prayed for their family and children and also their problem. They asked to us a school for their children and a house Church in them. Please my dear brother and sister pray for them and their need. Amen

Our Heavenly God answering our prayer! This is a miracle for Trinity Bangladesh, because in short time we get the result, but actually we didn't think about it! We really thanks to Global Mission for Children (GMFC), and

our friend Jimmy Miller and his teams, their hard work makes the possibility. And we able to run sponsorship project in our local fields children. Praise the Lord! We have 44 children in list and really we find them from the rural area and from very needy family. They all have individual story, they carries their hopes but no way to prove in real. They have talent; just need to proper guidance to make a bright full future. Their parents have dreams but they think it

could not be happen in real. In God we say; the possibility. We believe in His word! We are going to make the change the present situation. Because our Lord in control. He will take care of them. He will show the proper way to us. And we believe Global Mission for Children (GMFC) and the team can bring back smile in their face. We are praying to Lord for His blessing to all.

We are praying and hopping happy end of this month and continuing the mission! We are also asking prayer for those people, whom we visited and will select for the mission field. We want to thanks again to our prayer and supporting partners for their payer and support to continue our mission. And asking to keep continues pray and support. God bless you and yours. Amen
