Really it was a blessing day and God plan; we had meet with local women in west side of Boithaghata at a small village. There most of them are from Hindu. Some woman's were attended in this gathering. There I had got an opportunity to talk in them and I don't miss the opportunity. Here I share some Gospel in them. Then I share the Jesus Christ Gospel about His life in shortly and really they are interested. I am hopefully about them. There I share about "women awareness and few tips about how to they can protect themselves and how to they can be self-depended." I think and they share that now they are self-

reliant about themselves. They are background is not well, I mean they are very poor and they are not good in their profession. Most of them are day labor and few are cobbler. They cannot grow their child in properly. Most of their children are dropped and illiterate. I mean totally them a shabby and measurable life. After all I inform them about our sponsorship project and they are hopefully. My request to all of our brother-sisters and friends please remember them in your prayer.

Without permission of God any things cannot move and God has a plan for everybody and I believe it. Last month our team has gone a family visit and that is far away town about 15 km from our Boithaghata project. And thankful to God that He send me there today. I had become surprised after reach there. They are one family in a big Hindu area and they are always struggle with them. They are facing many threats about their Christianity and their house also. Somebody want remove them. They are five members in their family and handcrafter in profession. He makes some handicraft products and sells its in market. I mean they are always struggling for their life also. There I talk with them and share some Gospel in them and convene them that God has with them. He is worried about us. Just we need to depend and kept trust on Him. They are pleased in us and believe in God. Please remember them in your prayer.
